Re: Letter of Recommendation for May Palmer

To Whom It May Concern:

I have had the privilege of hiring May Palmer to perform at Tutta Bella twice in recent months, the last being New Year's Eve 2010. May Palmer is an incredible performer. Not only is she a talented chanteuse and entertainer, but she also has the ability to really engage with her audience. She establishes rapport by reaching out to her listeners, inciting singing, dancing and laughter. May has music deep in her soul, and she fills the room with her energetic style.

When you hire Ms. Palmer to perform, you not only hire a singer/artist, you gain a business partner. May works diligently to promote herself in advance of each performance, by encouraging her fans to come and see her perform at your place of business. She accomplishes this through her strong social media network via Facebook and Twitter, as well as utilizing traditional marketing channels.

Tutta Bella has enjoyed this relationship and can confidently recommend May Palmer, ***The Queen of Ivory Soul***. Please feel free to contact me if you have any questions or would like additional information.

Sincerely,
