SUBJECT: Military Appreciation Concert

This letter of recommendation is written with the utmost enthusiasm for May Palmer, a woman of passion and enthusiasm. May performed at Fort Greely June 21st 2008, at our annual Military Appreciation Celebration. Not only did she perform a stunning show this day, but brought her soul to the stage a second time the following day with "Dancing with the Devine", a moving show up after our Sunday worship services. We would gladly recommend May Palmer for your future events. Her exhilarating stage presence and voice make her a delight for any crowd.

Sincerely,

DEBORAH L. COBLE

Director, Family and Morale, Welfare and Recreation
